There's something intoxicating about nostalgia. What is it about days gone by that we love so much? Is it that we usually only remember the parts we loved the most? Was it because it was a simpler and more innocent time? Whatever the reason, the romance of the past is a fantasy we invite you to indulge in MV Mag 24.

In this issue, our MV Stars slip on a retro style to step into a series of dreamy photoshoots that invokes the goosebumps you felt when you saw your crush for the first time, the excitement of a first date, the anticipation of running across town to party with your friends, and the freedom of long summer days with nothing to do except spend time enjoy an ice cream sundae.

MV Star Jade Kush goes analog with an electric, 80s-inspired trip to the arcade where she plays to win in Game Winner. In Orange Crush, you can practically feel VanessaVeracruz and ryanryans skating off the page in their summery photoshoot at a local drive-in. Jenna J Ross is the treat we've all been looking for at the ice cream parlor in Heart Shaker, while PaigeOwensXXX invokes the laissez-faire attitude of the 90s as she travels from point A to point B with unforgettable style.

So, put on your favorite record, pop on an old TV show and take a well-deserved trip down memory lane in the company of these delightful MV Stars! It's a moment in time you'll always want to cherish.

**1. What is the first thing you do every morning?**

Feed my cat, ha ha! He usually wakes me up early to get breakfast.

**2. Where have you visited lately that you absolutely love?**

I went back to Chicago in early April for EXXXOTICA 2019. It's where I grew up so it's easily one of my favorite places!

**3. Who do you text the most?**

My boyfriend!

**6. What's the most rebellious thing you did as a teenager?**

Went to art school! Or, probably dating older guys. Now, I completely understand the concern over it, and I didn't start until i was 16/17, and they weren't, like, old men for whatever it's worth. Luckily, it all turned out well in the end and I'm still with my favorite guy.

**4. How do you achieve balance in business, love and performing?**

Lots of lists for myself, and definitely communication. It is key with everyone from my agent to my significant other.

**5. Is there a question about performing you've always wanted to be asked?**

Not really.

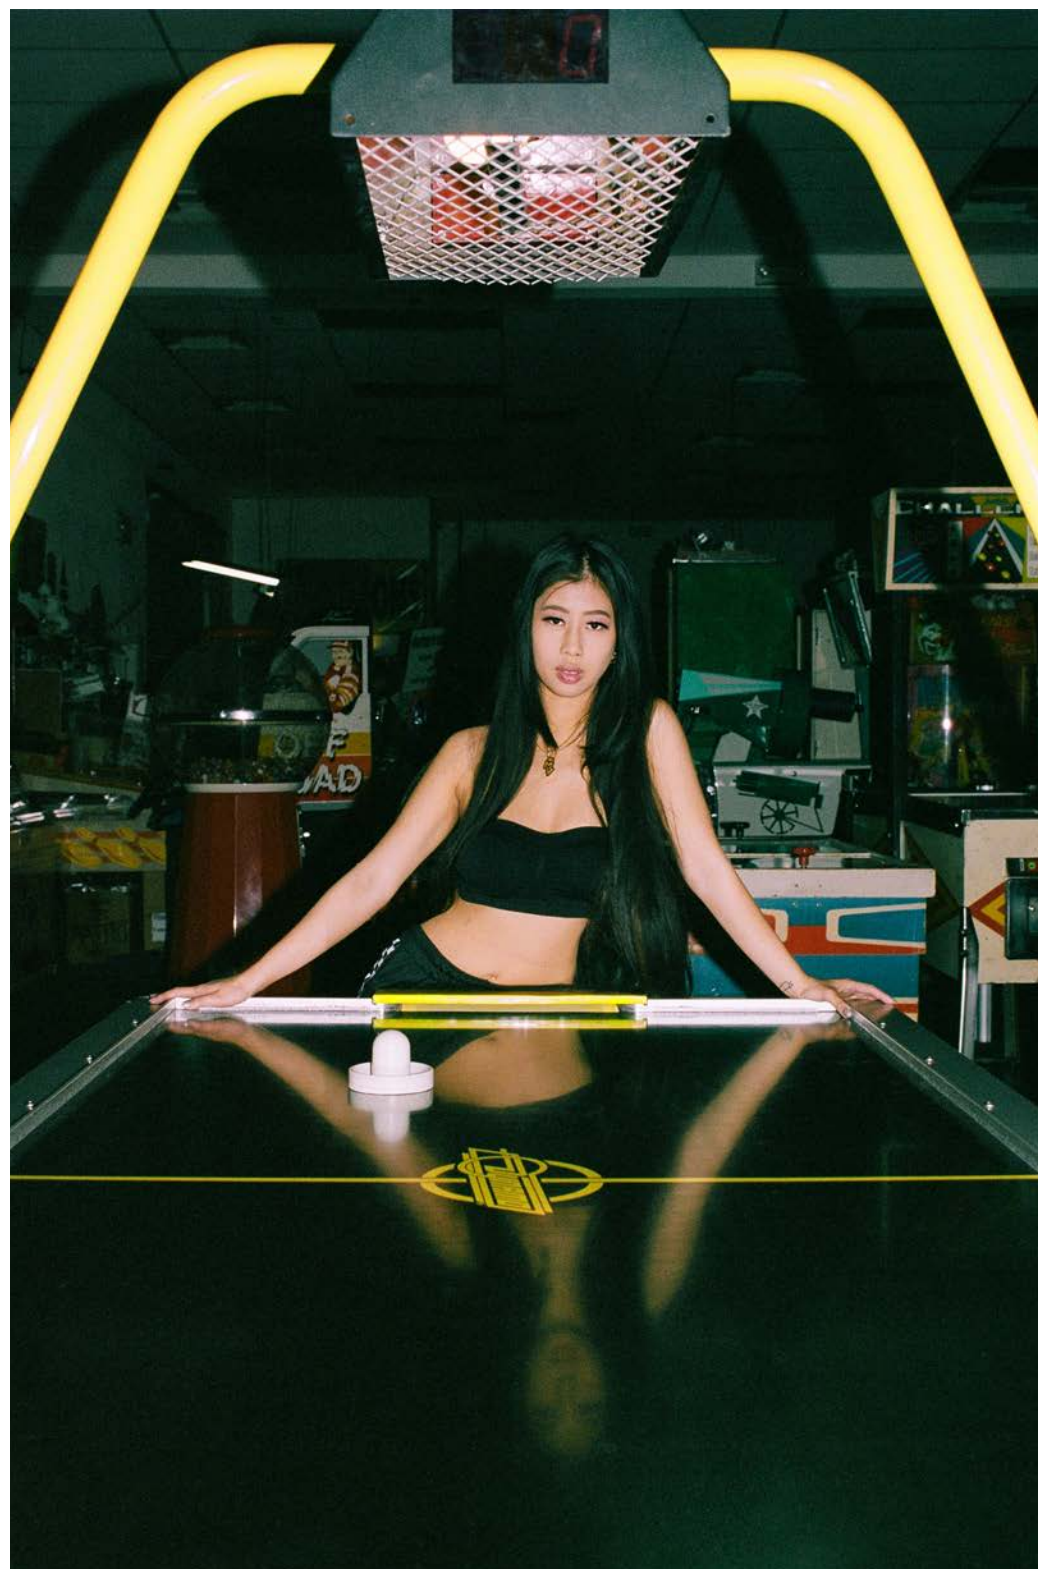

**7. Who are your style icons?**

I don't really have any one person, but I love any sort of alternative (but still sexy) style like combat boots, biker jackets, crop tops, etc. It's my daily wear!

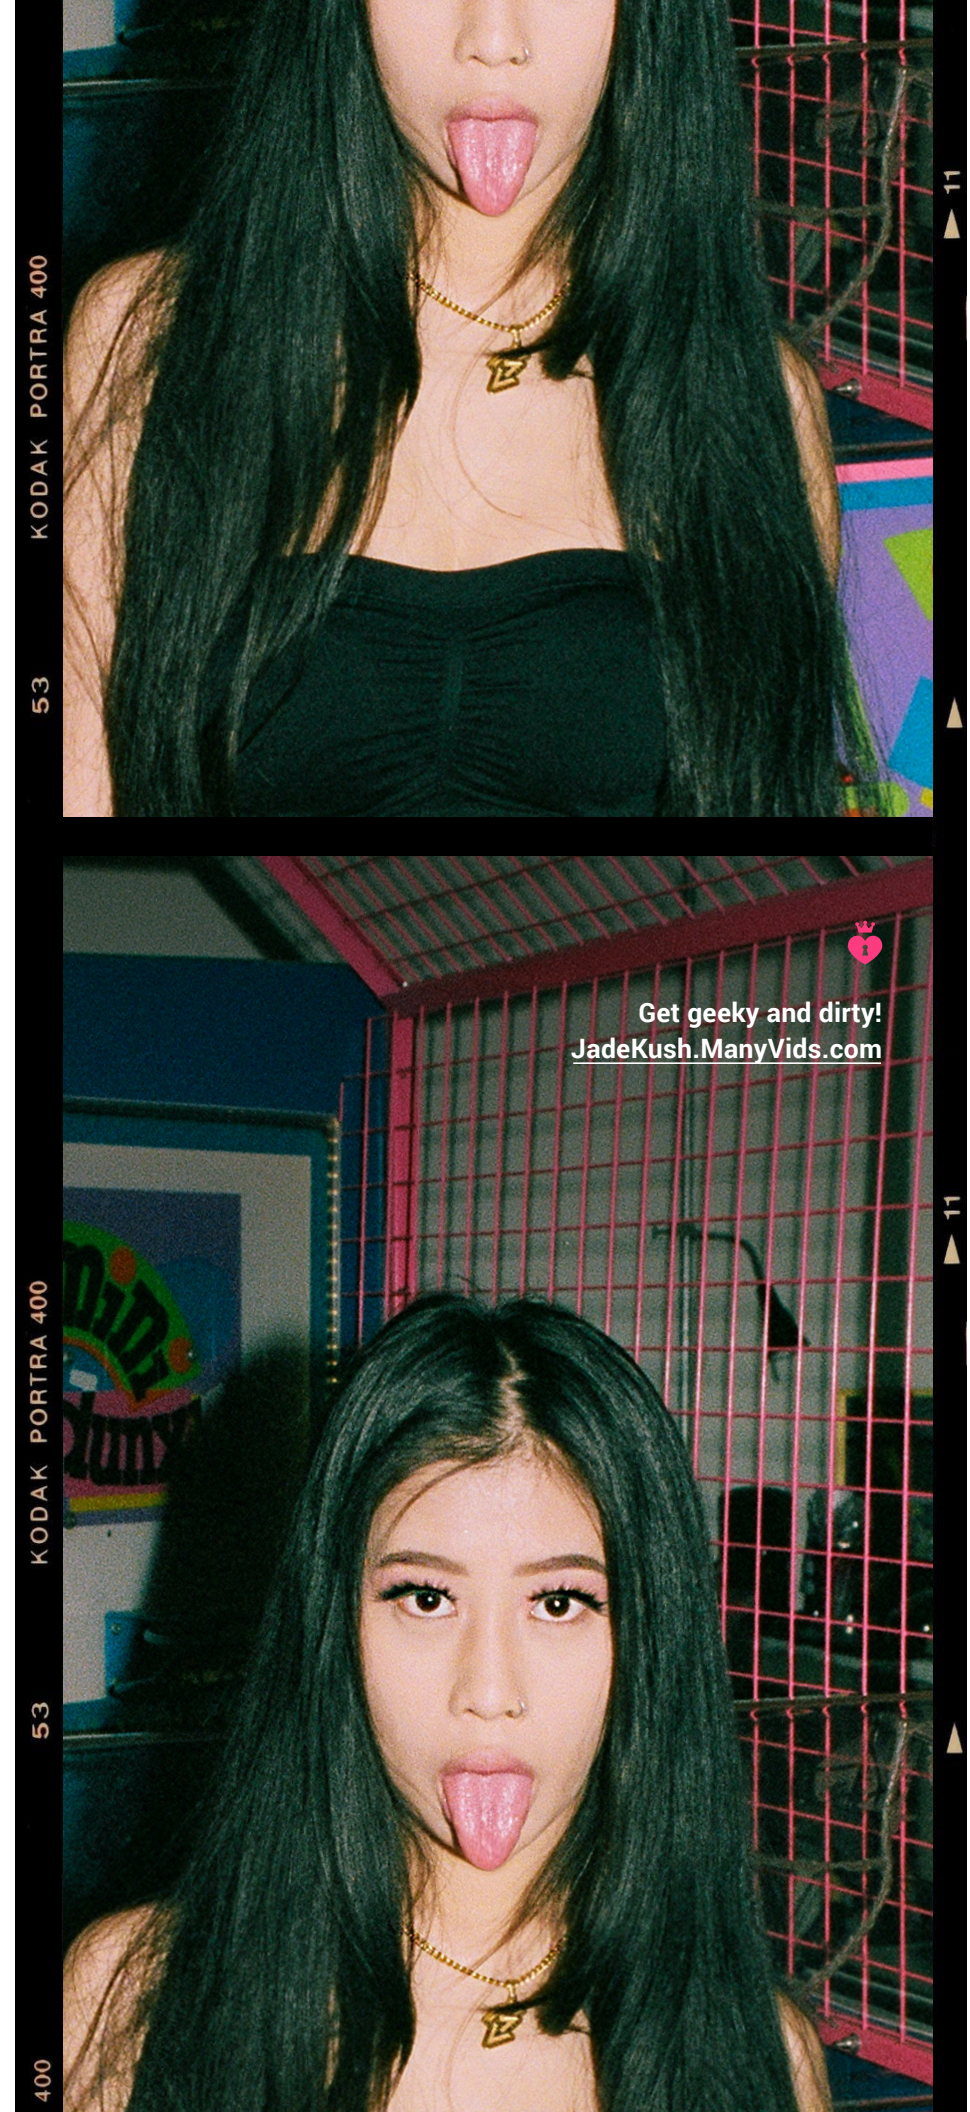

**8. What always turns your head?**

Puppies!

**1. What qualities separate a great adult performer from just a good one?**

A mind for business.

**2. What's the worst advice you've ever received?**

"Don't shoot interracial porn". Mind you, I'm Mexican so lots of people have shot "interracial" by performing with me.

**3. Is there anyone you want to thank right now?**

My mentor! Getting out of the business has been a slow transition. Having someone there to support me with love and encouragement has made all the difference.

**4. What's the most surprising thing that turns you on?**

Empathy.

**5. What's the best advice you've ever given?**

"Listen to your heart." We're in the business of making money but once that starts to conflict with your well-being what's the point? Your long-term happiness and peace of mind is everything!

**6. Is there anything that needs to change about the adult industry?**

So much needs to change. I would love to see a mentorship program for girls getting out of the sex industry. There are so many emotional, psychological, and economic changes that occur when changing careers—hence the need for a program that helps both women and men to adjust to life after sex work.

**7. Are you a glass half full or a glass half empty type of person?**

Always half full with love and kindness.

**3. What is underrated in sex?**

Simplicity.

**4. What is overrated?**

Awkward positions.

Early morning after a good night sleep. I love drinking coffee and watching the sun rise.

**6. What is bravery, to you?**

Having the courage to believe in yourself even when no one else does.

**7. Do you ever feel misunderstood?**

All the time.

### 1. How did you start in the adult industry?

I started off webcamming when I was 19 years old. I basically did that for over a year being super secretive, going online when everyone was sleeping. Eventually I turned that into my full-time job and quit my waitressing job. I felt like I was hitting a wall in my camming success so decided to try and jump into the adult industry.

### 2. What are your passions outside of adult entertainment?

I'm kind of a closeted nerd and am really into business/ personal finance stuff. I LOVE reading a good business book! When I'm not being a nerd or shooting porn you can probably find me painting, smoking weed, or masturbating.

### 3. What vids are you most proud of?

Of my own vids, my favorite has been my g/g/g bathtub scene because it was so spontaneous. All of my friends just decided to have some fun and film it.

### 4. What has been the most memorable moment in your career so far?

My most memorable moment so far has been working with some talent that I have watched since before I should have been watching porn.

### 5. What future career plans do you have?

I plan to keep shooting adult vids regularly and grow even more as a performer and a brand. I'd love to start feature dancing as well as attending conventions in the near future.

### 6. Say something for your fans!

Thank you so much for supporting me! I have been absolutely blown away by the amount of love and support I've received from everyone in such a short amount of time. You guys motivate me so much!

**1. What turns you on in a man and what turns you on in a woman?**

Honesty, humor and kindness. I look for someone who I click with personality-wise.

**2. When's the last time you changed your mind about a big issue?**

I don't think I really change my mind on things unless new facts emerge. I tend to seek out the cold, hard facts before making my mind up about anything so once it's made, it tends to stay that way.

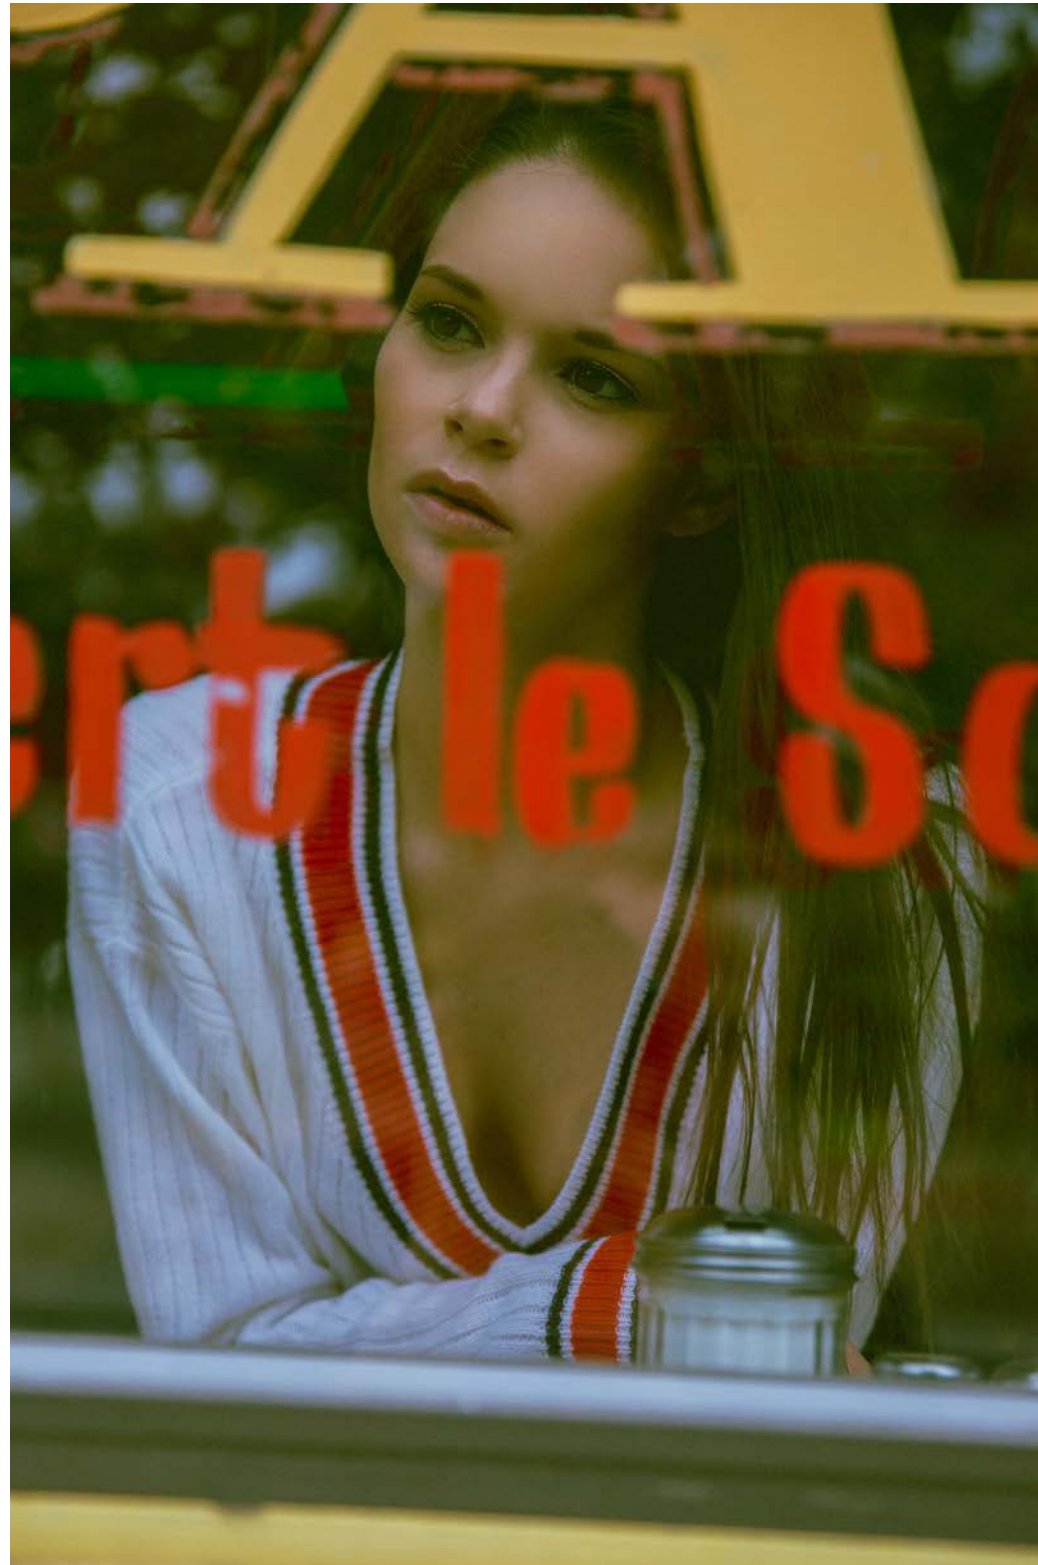

**3. What are you the queen of in bed?**

Deep throating!

**4. If someone's talking dirty to you, what do you want them to say?**

Whatever feels natural and genuine. I like to be in the moment.

**5. When you're talking dirty to someone what do you love to say?**

I'm no really much of a dirty talker... I'm more of a sensual moaner.

**6. What are your hobbies, passions, talents, and interests outside of the adult industry?**

I like hiking, photography, painting, and reading books.

**7. What's one sex tip you learned from being an MV Star and an adult performer?**

I'm usually the one giving the advice! I like to help new performers find ways to manage their careers. The advice I usually give is to save your money, know your worth and, if you're not into a specific sex act, don't do it. You'll be uncomfortable and your fans will be able to tell.

**8. What always makes you laugh?**

My cats! They're such funny little furballs.
